# What a beauty!

## The inside story

A truly great barbecue is as beautiful on the inside as it is on the outside. Here's a taste of what goes into making a BeefEater barbecue so brilliant.

### **RF Technology® Rust Free Cooktops**

Kiss rusty cooktops goodbye. Ours are made from porcelain enamel coated cast-iron, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

### **Vaporizer® Grid & Reflector System with Anti-Flare Technology**

Patent pending anti-flare technology reduces annoying flare up and heat loss for faster cooking and superior fuel economy.

### **Porcelain Enamel 10 year Warranty**

Hygienic, durable, scratch and scorch resistant – porcelain enamel is one of the toughest easy-care finishes for outdoor appliances.

### **Infrared Radiant Burner<sup>^</sup>**

Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It's commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

### **Signature Carts and Pedestals**

Our luxury carts and pedestal trolleys are built tough from powder coated steel and stainless steel.

### **Wheel Away Convenience**

Note the snappy heavy duty wheels and lockable castors.

# The ultimate outdoor kitchen

## Signature® Series. Full on, mate!

This is where we took our idea of a great barbecue, and made it bigger. A lot bigger!

This is BeefEater's Outdoor Kitchen Centre. You might want to hold the brochure a little further back, just to take it all in. Amazing, isn't it?

Ahead of its time, this exceptional entertainer is the work of two iconic Australian companies. BeefEater, in barbecues and St. George Appliances, for fine kitchen appliances. It's pure Aussie ingenuity at work.

\*Bench tops available may vary from the one shown.

# We've got burners, cabinets, storage, drawers, fridges, sinks and more!

Up here in ultimate outdoor kitchen land is where our "build your own" philosophy really comes into its own. There's so much to play with. Fancy a four burner module? Maybe a two burner will do.

Need somewhere to house a fridge? Got that. How about space for a wine chiller? Or a home entertainment system? Got it. Left or right hand opening doors? Got that too.

The solid, integrated, modular construction is so quick and easy to install... which means you'll be cooking in no time.

You can start small.

Then throw in the kitchen sink.

Add a bar fridge, or two.

Perhaps a few extra drawers here, a cabinet there.

Only available with 2 and 4 burner barbecues.

# Pizza Perfection

## BeefMates Pizza Oven

What better way to accessorise your BeefEater barbecue than to add your very own purpose built BeefMates Pizza Oven. This little beauty fits conveniently on the top of any BeefEater 4 or 5 burner barbecue. Heat it up and you're ready to make your very own home made pizza perfection.

**Mate it can't  
get much  
better than  
this!**

### BeefMates Pizza Oven

Built for BeefEater's 4 or 5 burner barbecue range the BeefMates Pizza Oven is the perfect accessory.

\*Barbecue sold separately.
