

BBQ Island advantages

More than a simple grill, our BBQ Islands are real outdoor kitchens and entertaining centers. Whether you choose a simple Island just to make food, or a more complete one with balcony to seat and entertain your guests, the advantages are many.

Fast In 5 minutes you are ready to grill in your BBQ Island.

Exclusivity A BBQ Island is an exclusive and single place, customized to detail according to taste, space and budget of each person.

Security No flames, no sparks, you can control the fire and even have different temperatures to different food.

Hygiene No ashes, no coal to clean.

Versatility You can grill, roast, smoke or even roast in the rotisserie your food.

Healthy Doesn't burn food, so doesn't produce benzo-pyrenes which are potentially carcinogenic substances.

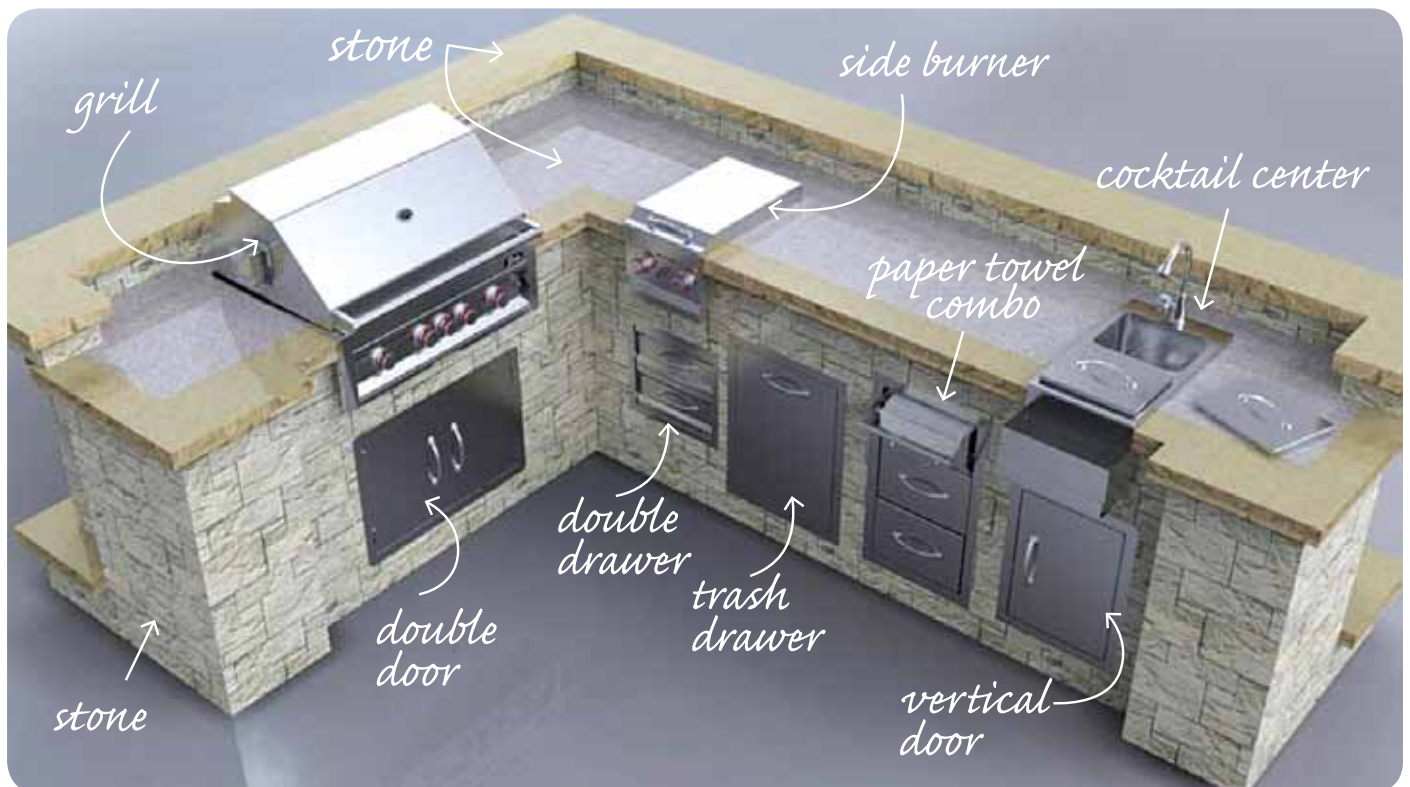

Strength Building a bbq island is a highly specialized single work and made to last a lifetime.

Convenience Due to the facility, you don't need a big event to make a bbq. Just get home, and without delays or planning you can quickly start grilling what you want..

Options Build your bbq island with the options you choose. From the grill, the side burner, the doors and drawers, the refrigerator for drinks, the sound or TV system, the dishwasher, there are many options.

Enhance Guaranteed investment. Kitchens are probably the main deciding factor when buying a house. An outdoor kitchen is no exception, especially when compared to houses that don't have them.

Emotion More than a simple grill and due to his advantages, a bbq island stirs emotions, strengthens friendships and provides excellent moments with family and friends.

Grills

They are the main piece and the most important in a BBQ Island.

In addition to grilling, they are also ovens where you can roast meat, fish or make pizza.

Just close the lid and put the interior at the desired temperature..

3 Burner with lights
